Respected Sir,

Sub.- Public Services - Subordinate Services - Madras Ministerial Service - Unpassed Ex-Military Clerks - Grant of Concession - Request of.

Ref.- Board's Ref.D.No.3459/41 Confidential dated 13.6.41

I beg to bring the following few lines for your kind consideration and favourable orders.

2) With the hope of getting a better chance in my future career, I discontined my studies and joined as an Assistant Store-Keeper in the 139 Indian Field Ambulance in the Great War of 1914-18. I served on active service in British East Africa and German East Africa for about two years. My work was found quite satisfactory and my superiors were pleased to grant me two medals and a certificate.

3) Soon after my discharge from Military Service I worked as a clerk in commercial firms, Railways, and Electricity Department on a scale of pay of Rs.30/- to 60/- per month. On account of retrenchment and downfall of commerce I was ousted from the brahches of work noted above. I did my work in all the various branches to the entire satisfaction of my superiors. I enclose herewith copies of my testimonials for your kind perusal and consideration.

4) In January 1930, before the advent of the Service Commission, I was appointed as an Attender in Bellary District. Since then I am executing my duties to the entire satisfaction of my superiors. I do not know why my name was not included in the list of exempted candidates included in the

5 3

list of clerks. I put in an application to the Collector of Bellary with regard to the inclusion of my name in the list of clerks who were exempted from age and general minimum educational qualifications. But the Collector replied that he was not prepared to exempt in my case, in his D.Dis.C.3266/31 dated 4.7.31.

5). In this connection I appeal to you, Sir, kindly to consider my case and pass orders at an early date for the inclusion of my name in the list of clerks. My son, N.Pratap Singh, is now enlisted as a War Technician in the War Technician's College, Bangalore, and he will be shortly going on war service. My family is too large and the burden of maintaining them has fallen on my shoulders. ~~It is a great~~ It is a great hardship for me to maintain them with the little emoluments that I am getting now. I therefore beseech you, Sir, to kindly consider my case and recommend to the Government to re-consider my case and pass an early order.

For which act of kindness I shall ever pray for your long life and peace.

With hopes,

I beg to remain,
Respected Sir,
Your most obedient servant,
N. Rathan Singh

2 Recently the Govt. decided that in a case dealt with in this dept that unpaid ex-military clerks who are prevented from acquiring the minimum general educational qualification by war service & who had proved themselves by their work during 1 promotion, may be granted some concessions, including permission to sit in the test for this scale pay. The Public dept, in their U.O. note No 14926/41-2 of 23.5.41, communicated this decision to the depts of the Secty (except Revenue), for necessary action, in consultation with the heads of depts. In Memo No 13439/41-2 Rev of 31.5.41, this dept communicated the Govt's decision to the Bd for the 14 yrs of unpaid ex-military clerks who would be benefited by this decision. The petition in the Cf is under reference to this memo.

Please see the petition from N. Rahan Singh, bench court clerk, Bellary dt. on pp. 3-5 c.f. the remarks of the Bd.g Rs. on pp. 1-2 ibid and the Rs. Depth. note on pp. 1-2 ante.

2. The petition would appear to have been Rebd. wit Reference to the Rev. Depth. (for.) Memo No. 1343-G/41-2 of 31.5.41 at (M). ~~H.O. Note No. 14924/41-2 d. 23.5.41 on p 11 q Lodged pp No. 15888 G. Home d. 6.8.41.~~ (L) According to this ~~H.O. Note~~ memo the concessions mentioned in it are to be allowed only to ~~certain classes of~~ unpassed men who were prevented from acquiring the minimum general educational qualifications by going on war Service. The petitioner is Reported to have discontinued his studies in 1914 and enlisted for war Service about 1-9-1915. The interruption

interruption in his case was therefore, not due to his war Service. ~~and there does~~ not seem to be any case for the grant of the concessions mentioned ~~in the G.O. note~~.

para 5 m p. 5 c.f. 3 The request actually made by the petitioner is that his name may be included in "the list of clerks" cf para 4 m p 5 c f (exempted from the age and general minimum educational qualifications) What exactly the petitioner means is not clear But the list of clerks" referred to by him would appear to be the list drawn up by the M.V.C with Reference to para 2 of G.O. 1302 (Z) Pub (Spl.) d. 27.9.30. It will be seen that only those persons were to be included in that list who were acting or had acted as clerks (or typists) at the time, And who had on or before 1-1-31 put in six years continuous Service or two years total Service as such. para 1 m p 1 of (T) The petitioner was an attender on 1-1-31 and was appointed as bench Court 11 clerk only on 16-1-31. There was therefore, no question of including 14 his name in the list then.

The petitioner is at present,

"the

4

" the permanent bench clerk of the S. J. M's office at Adoni, on Rs. 31/-".

It is not clear whether he is on the old scale of pay or on the revised scale. Presumably, he is on the old scale of Rs. 20-1-35 (corresponding to the revised scale 19-30) and his intention is that he may be declared eligible for promotion as bench Court clerk on Rs. 30-55 scale for which the minimum general educational qualification has been prescribed. On the basis of the Pub. (Ser.) Dept. u.o. note at p.11 of (L) & the memo at (M) referred to above there is no case in his favour for the relaxation of the minimum general educational qualification.

It is for orders whether the petitioner may be informed that the Govt. are not prepared to relax the minimum general educational qualification prescribed for the ministerial service in his favour or whether the Bd. of Rev may be asked to furnish more definite information as to what the petitioner wants and also to forward his service register.

The request in para 5 on p 5 of is not

clear. What apparently the petnr means is that his name should be included in the list which the Board to submit w.r.th ref to the Memo at M. In view of the Board's remarks in para 2 on pp 1-2 cf there is no need to refer the case again & the petnr may be informed that he is not eligible for any of the concessions mentioned in the Memo at M

Public (Ser) Department.

The petitioner is a permanent Bench court clerk drawing a pay of Rs.31/- presumably in the old scale of Rs.20-1-35. As the minimum general educational qualification is not prescribed for the post of Bench Court clerk on Rs.19-30 (old scale Rs.20-35), the petnr's pay as Bench court clerk would not have been stopped at any stage under the second proviso to rule 14 (a) of the Madras Ministerial Service Rules and so there is no question of allowing him to rise to the top of the scale. The only concession referred to in the Memo. at (M)/that would be appropriate in his case is ~~to declare him eligible~~ eligibility for promotion to posts for which the minimum general educational qualification i
